

IR illuminator, Building & Retail, range 70mt

1092/896

- Infrared: IR LED 850um
 - Aperture angle: 30°
 - Range: typical = 60m, MAX = 70m
 - Operating temperature: -10÷+50°C
 - Storage temperature: -30÷+60°C
 - CDS (twilight sensor): Internal for operation with illumination level below 10 lux
 - LED number: 6 High Efficiency Infrared LEDs
 - Protection rating: IP66
 - Construction material: Aluminium
 - Power supply: 12.6 Vdc ± 10%
 - Consumption: 850mA MAX
 - Weight: 700 g
 - Dimensions: 150 x 180 x 70 mm

Description

IR Illuminator, Building&Retail, 70m range
